

CATERING

We pride ourselves on the Catering that we offer. We have a number of set menus suitable for all occasions, always willing to customize to ensure your meal is exactly as you would want it and make it individual to yourselves. Our Caterers will talk you through everything that you require, from table set up and decoration of the rooms to ensuring that your guests are looked after throughout their stay.

We have a number of set menus that we can send out on request, but these should really be looked upon as a starting point as they are all changeable.

We are only too happy to arrange for any special requirements and our cloakrooms are large enough to accommodate the largest gathering, (the Ladies cloakroom is on the first floor but a lift is available for those that may find the stairs too challenging).

Our Wedding Package is very popular and again can be catered around your wishes. With efficient and uniformed staff to cater for all your needs throughout your celebration it will truly enhance your memories.

Catering for Club Dinners, Ladies Nights or business Luncheons / Dinners, our facilities are well suited to all, we can cater for up to 120 at a formal sit down meal but can also offer a dining area in our Lounge for those smaller functions or working lunches. If its a venue for a one off or regular Breakfast meetings then again we are perfectly placed close to the town centre with ample Parking nearby.

Catering with sympathy and taking one more problem out of your hands our Funeral Teas are tailor made for just this occasion our staff are unobtrusive and have you and your guests at the centre of the operation.

For more information contact Elaine on 07982246222 or 01476 564046 for an informal chat or to request a brochure.

WEDDING PACKAGE

(PRICES ARE BASED ON 100 GUESTS)

The Package Includes:
